

27<sup>th</sup> April 2018

Dear Parent/Carer

**Re: Mathematics Study Afternoons**

On Wednesday 23<sup>rd</sup> May, Wednesday 6<sup>th</sup> June and Monday 11<sup>th</sup> June, the mathematics department will be hosting study sessions to help pupils to make final preparation for the GCSE Mathematics examinations on the following days. Each of these sessions will run from 2.45 pm until 6.00 pm and the programme will include opportunities for group work and one-to-one tutorials. The start time has been set to allow those pupils who have examinations earlier in the day to take part.

There is no cost to pupils. Light refreshments will be available at the start and end of each session.

We would like to invite your child to attend this special event. Attendance on **all three days** is expected by those who agree to take part. This is a fantastic opportunity and I hope that you will encourage your child to attend. The number of places is limited and will be offered on a first come, first served basis. We would be grateful if you would complete and return the attached slip not later than **Friday 4<sup>th</sup> May** so that we can finalise printing of resources and catering details. Alternatively, you can reply by email to [m.horrocks@durhamjohnston.org.uk](mailto:m.horrocks@durhamjohnston.org.uk) or by telephone 0191 384 3887.

Yours sincerely,

Miss R McFadden  
Deputy Head Teacher

Mrs P Urwin  
Head of Mathematics

Mr M Horrocks  
KS4 coordinator

**GCSE Mathematics Study Afternoons 2018**  
**Wednesday 23<sup>rd</sup> May, Wednesday 6<sup>th</sup> June AND Monday 11<sup>th</sup> June**

\_\_\_\_\_ **will / will not** be attending all of the mathematics study sessions on the above dates.
