Dear Parents and Carers

Re: SRE or RSE Parent/Carer session - You Can Make Difference

I am writing to invite you to our SRE/RSE parent and carer session that you showed interest in attending from the questionnaire you recently completed.

SRE/RSE is about keeping children safe, happy and healthy.

SRE/RSE plays a vital role in meeting schools' safeguarding obligations. Ofsted is clear that schools must have a preventative programme that enables pupils to learn about safety and risks in relationships. (*Sex and relationships Education for the 21st century, 2014 Brook, PSHE Association and Sex Education Forum*).

The session will be held in school with the SRE/RSE lead Callum Blake and Jayne Heron who is leading on the parent/carers consultation across several schools in County Durham.

Parents are the best educators, therefore we want to involve you in the decisions we make in school.

The session will include:

- An opportunity to hear currently what is/or going to be delivered to your child.
- Time to share your questions, thoughts and any anxieties you have in regard to the SRE/RSE.
- The objective of the session is to make sure the RSE/SRE that is being delivered in school is right for you and your child.

Details of the session are:

Date: 21st June, 2017 Time: 5.00pm

Duration: 45 minutes long

If you are unable to make the session and you still would like to discuss the SRE/RSE further please do not hesitate to contact me the SRE/RSE lead on the number above.

If you would like to attend the session, please fill out the reply slip below and return to school no later than Monday 19th June 2017.

Yours sincerely,

Mr Blake, RSE Lead
