## 10<sup>th</sup> December 2018

*Enjoy your achievements as well as your plans.*

Max Ehrmann (Desiderata)

- Year 12 Survey (assembly). Some questions were raised about how to research / plan for the next step – university / employment. We will start PHE (Preparation for Higher Education) in January, where we'll take you through this – don't worry – we have a lot of experience in this area. **Degree Apprenticeships**. Every year, some of our Year 13 students take up higher and degree apprenticeships – last year in accountancy, law and construction. They do require strong A levels and offer a salary and paid for degree & professional qualifications. Register with the following sites to receive notification of vacancies. Any questions – see Mrs Lennon

- **Consolidation during Christmas break**. Use this week to ensure you know how to make the most out of the Christmas break. **Year 13 – when you come back in January – it is the year you leave school and embark on university study / employment. Year 12 – this is the year you see if you have stepped up to Advanced Level study – exams on your return Wednesday 9<sup>th</sup> – 15<sup>th</sup> January 2019.** Make sure you are not complacent – use the break to consolidate the work done this term – and you will almost certainly find next term more manageable and achieve better AS & A level results.
- **Year 13 – UCAS – internal deadline – last Friday. Come to SF Office with any queries.**
- **LIBF – Personal finance external exam – Tuesday 11<sup>th</sup> December – Maths 2 – 3pm.**
