

THIS WEEK

1st October 2018

Thoughts for the week:

If not you – who? If not now – when?

- **Internal deadline of 8th October** for completion of **Veterinary Medicine/Medicine/ Dentistry/ Oxbridge applications**. This means getting your form completed and submitted on the UCAS website. We process/amend it and help you to meet the external deadline of the 15th.
- **Photographs** – this week – do **NOT** wear pinafores or shirt / jumper all-in-one combo on photo days. Make sure shirts / blouses are **white** not ivory / cream.
- **Durham University Supported Progression** – Application for Year 12 students is open now. Supported Progression is a programme for talented students studying in the North East, Cumbria and Yorkshire who have the potential to study at a university like Durham and who will benefit from additional help and support to reach their full potential. Supported Progression offers a two-year coherent, structured programme of events and information. Events include a full day for you and a parent/carer, a two night residential event, and a five night residential summer school, which is assessed. Information provided throughout the event includes topics such as applying to university and UCAS, student finance, studying abroad, and a variety of skills workshops such as presentation skills, teamwork, time-management.
