

Societies - 2016

Our societies are informative, interesting and welcoming. They are a great way to meet (like minded) people (AS review interviews always mention the community benefits). Additionally, they are excellent ways to develop organisational and communication skills that will help you prepare for higher education and employment.

Go along and get involved. Any questions - see Mrs Lennon

What?	When / where?	Insight
PhySoc 	Monday after school, Science 12	PhySoc aims to give students the opportunity to explore relevant and interesting topics - outside of the Physics A level curriculum. Examples - Thermodynamics, particle physics, special relativity, calculus.
History Soc 	Monday After school History 4	It doesn't matter if you take the subject or not. Popping along to our weekly sessions if you have an interest in all things historical! Take part in games, crafts, general chit chat (and even more) about different subjects which you will get to choose every week, in a welcoming environment. We look forward to seeing you - come along.

Sixth Form Committee	Tuesday lunchtime PE classroom	The main forum for student voice. Each Form should be represented each week and each Form has one vote (where a vote is taken). Representatives should bring concerns / queries / issues raised by members of their Form and feedback on any issues discussed at the Committee - to their Form group.
ProgSoc 	Tuesday Lunchtime Tech Graphics 2	To get experience programming in a team environment.
Amnesty 	Tuesday after school SF area.	Raise awareness of Amnesty International work, whose vision is a world in which every person enjoys all of the human rights enshrined in the Universal Declaration of Human Rights and other international human rights standards.

MedSoc 	Wednesday lunchtime SS3	<p>MedSoc is an interactive society for prospective medics, vets, dentists and anyone interested in biomedical sciences or medical ethics.</p> <p>2016 - considering adopting the YM initiatives (Mrs Lennon will give an overview 21st September. YoungMinds is the UK's leading charity committed to improving the emotional wellbeing and mental health of children and young people.</p>
--	-------------------------------	---

 <p>(PoSoc)</p>	<p>Wednesday lunchtime SS2</p>	<p>Aims to provide a platform for debate of (mostly contemporary) issues – relevant to the A level curriculum and beyond it. At the moment – the election (USA) and Brexit are hot topics.</p>
<p>Literature Soc</p> 	<p>Wednesday After school English 8</p>	<p>Discussing literature in all its forms. No books need to be read / brought to the sessions, just opinions and a desire and willingness to discuss.</p>
<p>MathSoc</p> 	<p>Wednesday After school Maths 9</p>	<p>Every week there will be a problem sheet on a new topic, mostly from maths not found on the A-level syllabus, giving members a chance to stretch and improve their mathematical abilities and try out new and interesting areas of the subject.</p>

<p>FemSoc</p> 	<p>Thursday lunchtime English 2</p>	<p>Part of our EQUALITIES family – sharing best practice. Aims to promote gender equality in the school and get students interested in / talking about – feminism.</p>
<p>Debating</p> 	<p>Thursday 3 – 4 History 4.</p>	<p>Debating society is for those who love to voice their opinions and persuade others that they are right. Many debates are chosen by the students and often cover contemporary issues that are either already extremely polarising or, sometimes, on a topic people know little about. It is also competitive; a vote is held at the end of each debate to see who the winner is.</p>

<p>Pride</p> 	<p>Friday lunchtime English 1</p>	<p>Part of our EQUALITIES family – sharing best practice. We are a Stonewall champion school. Aims to provide a safe space for members to discuss LGBTQIA+ issues and help the school environment become more accommodating to all sexualities / identities. w/c 12/9 – We'll be taking a look at the year ahead in a friendly, relaxed environment. All welcome – bring your lunch.</p>
