

ARE YOU A.....

ARTIST &
DESIGNER

GRAPHIC
design

THEN WE NEED YOU!

COMPETITION

- From March 9th 2020 the bins around school will be used to recycle our waste **PROPERLY!** We will also have house bottle bins for single use plastic bottles.
- We need a poster/digital graphic designing to promote our environmental work!
 - We would like **you** to design this for us.
- You can use graphics based software, freehand or a combination of design techniques to do this – all designs **MUST** be original!
- Your design will then be used to promote our environmental campaign. Designs should **explain** how to use the bins **properly** (they will be placed above the bins to guide students, as well as appearing on the bulletin etc.). You might also want to include information on why this is so important!
 - You may submit **one** entry per person

HELPING YOUR HOUSE...

- **The winning entry will be awarded 60 House Points (40 for 2nd place, 30 for 3rd, 20 for 4th)**
- **We will also award 10 House Points per entry for the top 20 entries**
- **Get involved – this competition could see your house take the lead and win the rewards day at the end of term!**
- **Computing rooms are available during some break / lunch times if you need access to a PC.**

DEADLINES

- Deadline for entries: **WEDNESDAY MARCH 4th 2020 @ 08:30am**
- Entries will be collected by the House Leaders during form time on the **4th**
 - Please ensure your **name** and **house** is clearly labelled on the design
- House reps: Please collect your forms entries & keep them in a safe place!

Good luck – Miss Forbes
